

# Resident Courses

Last Modified on 03/31/2016 12:45 pm PDT

Resident courses are those where the primary 'students' are residents who don't actually register for the course. Departments have started converting these 298s to 'R' courses.

In order for instructors to receive Effort credit for Summer courses, these courses **MUST** exist in Banner as for each quarter (or Summer Session) where they are taught.

We recommend that any courses that are taught over the entire summer be updated in Banner/CAF to be offered once during Summer Quarter rather than in both Summer Session 1 and Summer Session 2.

Department staff have the ability to edit the enrollment for any "-R" course and **MUST** do so before the term can be closed.
